

Lodging Options in Big Bay, MI

Big Bay is a small town with a population of less than 300 people literally at the end of a county road. As such, lodging, dining, groceries and other services are limited.

Within 5 minutes driving time of the class site:

Thunder Bay Inn	906-345-9220
Big Bay Motel	906-345-9444
Perkins Park Campground	906-345-9353

If it is possible, we highly recommend people stay at Bay Cliff. This arrangement allows you to fully focus on the workshop, gives you time to prepare for the next day and relax & enjoy meals with other participants & staff. In our opinion and the opinion of previous participants, it offers the best experience and value vs staying elsewhere.

Bay Cliff Health Camp

- Cost: Training workshop (4 nights) - \$220; Testing workshop (3 nights) - \$170
